CAREER OBJECTIVE

I am Setu Akther, a student of Computer Science & Technology and a passionate Web Developer, currently working alongside my studies. I have skills in Front-End, Back-End, Webflow, and MERN Stack development, and I am continuously trying to improve myself in this field. I have a strong desire to pursue my BSc in the future and grow further in my education and career. I value honesty, simplicity, and family, and I aim to build a balanced life where I can contribute both professionally and personally.
